The Four-Way Test

Is it the TRUTH?	Is it FAIR to all concerned?
Will it build GOODWILL & BETTER FRIENDSHIPS?	Will it be BENEFICIAL to all concerned?

JANUARY 6, — DON KING, CEO

ASCENSION VIA CHRISTI

Topic: TBD

Don King has nearly 20 years of senior healthcare leadership experience. Prior to coming to Wichita, he served as chief operating officer for Ascension Alabama, where he led efforts to address community social issues with statewide opioid and behavioral health initiatives and improved quality measures of sepsis, heart failure and pneumonia. Under his leadership, associate experience scores increased to being among Ascension's top 10 percent.

Don served at Ascension Tennessee, first as chief operating officer of Saint Thomas West Hospital and then as chief operating officer for Saint Thomas West and Midtown Hospitals. Two years later, he assumed the role of president/chief executive officer of the multi-campus, multi-hospital enterprise. Before joining Ascension, he was the COO at Lee's Summit (Missouri) Medical Center and a senior administrator at Research Medical Center in Kansas City.

Don, who grew up in the Kansas City area, earned both his undergraduate and master's degree in Physical Therapy from Loma Linda University in southern California. He is a graduate of the Ascension Executive Ministry Leadership formation program and is a current participant in the Ascension Leadership Academy.

Don and his wife, Wendy, who grew up in the Kansas City area, have two children, Grant, 22, and Abigail, 20, who both attend the University of Tennessee Chattanooga.

Congratulations!
